Piano Keyboard Map: C3 to B4

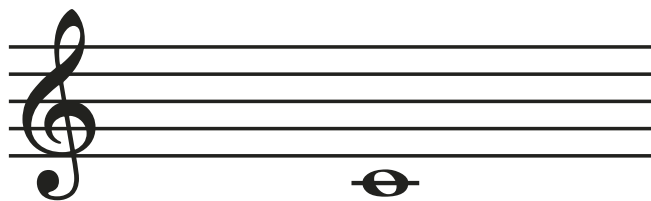

Two octaves of white keys with their names. Middle C (C4) is marked.

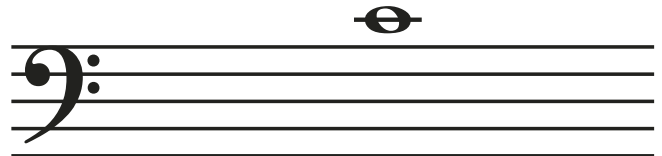

Finding your way

- The black keys come in groups of two and three. Every C is the white key just to the left of a group of two black keys.
- F is the white key just to the left of a group of three black keys.
- The white keys repeat the same seven letter names: C D E F G A B, then C again one octave higher.
- Middle C (C4) sits near the middle of the keyboard. On the treble staff it sits on one ledger line below; on the bass staff, one ledger line above.
